

DANURB - THE GOLUBAC WORKSHOP_OCTOBER 15-17, 2017, SERBIA

Project partners, associated partners and students gathered within the DANURB project in Golubac, Serbia in order to **experience the local culture defined by contrast of the widest section of the Danube River and the Iron Gates – its narrowest and deepest spot just a few kilometers apart.** The Sunday expedition included sailing through the Djerdap (Iron Gate), visiting of the Museum of Donji Milanovac and the impressive Lepenski Vir, an archaeological site with one of the oldest documented settlements in Europe. We really liked it!
